PEQUEÑOS PASOS

And there's something even bigger. By traveling with Olimpia Tour, you're already supporting Pequeños Pasos Football Academy, a program that gives hundreds of children and teenagers in Argentina the chance to play, train, and grow through sport – fostering teamwork, discipline, and confidence for a better future

During the trip, your players will also connect with the local community, sharing the field, exchanging experiences, and donating gear to grassroots clubs. This allows them to experience football and futsal in their most authentic form – as a tool for building bonds and changing lives.
